Profile

A self-motivated software engineer who strives for quality and works to the highest standards with an eye kept on details. Passionate person about academic teaching and technology innovations with considerable hands-on experience in addition to leadership capabilities and time management skills. I confidently seek opportunities that will develop new skills while strengthening those already possessed. ...

Education					
	Software Engineering – 36 e GPA: (4.0/4.0)	credit hrs	P	rince Sultan University	2017
\circ Thesis Title:	HeartCare+: A sm	hart healthcare model fo	r early detection of co	pronary heart diseases	
	e Degree in Software Engin e GPA: (3.94/4.0)	eering $(1^{st} honor) - 143$	credit hrs A	lfaisal University	2015
 Internship: Additional Courses:	2 months training		0	racle & SMCI	2014
	gement Professional – 35 c	ontact hrs	А	lfaisal University	2017
	doop) Developer Track – 3			insys	2017
